Asia Pack Tech Expo 2023 – A Premier International Show

If you're looking for an effective place to exhibit your packaging products and processing technology and equipment, this is it! Asia Pack Tech Expo 2023 will see attendees come from food and beverage companies, and processing units as their first stop to the three-day event from 23 – 25 February 2023 at Chennai Trade Centre, Nandambakkam, Chennai.

In the current market scenario where new product innovations – new packaging solutions are the success factor, emphasis on packaging has reached a new level. India Pack Expo 2023 will bring together the best in packaging material and machinery, thus making it the most attractive platform for packaging development professionals and decision-makers from across the industry sectors in the Indian sub-continent.

On a global scale, the packaging industry is an enormous economic generator. Statistics indicate demand for the world packaging industry will reach \$1.05 trillion by 2024. Consumer trends and industry trends for packaging drive this gigantic growth rate. In India, packaging is among the highest growth industries and developing at 25% per annum.

Attendees want to discuss ways to increase automation and safety, improve efficiency and achieve total system integration. Asia Pack Tech Expo 2023 will be a landmark show and a premier destination for food and beverage producers seeking the most advanced packaging equipment on the market. Asia Pack Tech Expo 2023 is co-located with F&B Expo, Water Expo and EPTEx. Bring your company and showcase your technology where India's largest Business Communities will be present.

Why Exhibit

Exhibiting can be the difference between a normal day at work, or three days discovering and developing your next huge success. How many opportunities do you have to put your business in front of 4000+ decision-makers with purchasing power?

- The Expo has multiple categories, aiming at maximizing the display of the exhibitor products.
- Co-located with Water Today's Water Expo 2023, EPTEx 2023 and Food & Beverage Expo 2023 – the 4 powerful shows will showcase the entire gamut of packaging, processing, supply chain management, water use and reuse, water management, and environmental protection strategies all under one roof.
- Meet and network with packaging industry stakeholders
- 3,500 Indian & 1,500 international buyers are expected to sign up at the platform and arrange meetings with the exhibitors.
- Launch your business into high gear for 2023, and build a business relationship that will reap long-term benefits.
